Ilze Laizane has participated in several group exhibitions in Latvia, Ukraine and in the last solo exhibitions. Her first course in art was in 1999, graduated Riga Applied Arts College of Design.

Artist looks for expression in multi-age and "Impressionist" and she likes to play with ideas of symbolism. In many art world, there are techniques to working and animal body over each other. Fighting between the world to good. The idea and dreamy space effect is usual.

Artist paints not only figurative compositions, but also landscapes and still life.
